*Alone* Cyn Balog 2017-11-07 This must-read for lovers of Stephen King's *The Shining* will leave readers breathless as Seda and her family find themselves at the mercy of a murderer in an isolated and snowbound hotel. Get ready for what Kirkus calls "A bloody, wonderfully creepy scare ride." When her mom inherits an old, crumbling mansion, Seda's almost excited to spend the summer there. The grounds are beautiful and it's fun to explore the sprawling house with its creepy rooms and secret passages. Except now her mom wants to renovate, rather than sell the estate—which means they're not going back to the city...or Seda's friends and school. As the days grow shorter, Seda is filled with dread. They're about to be cut off from the outside world, and she's not sure she can handle the solitude or the darkness it brings out in her. Then a group of teens get stranded near the mansion during a blizzard. Seda has no choice but to offer them shelter, even though she knows danger lurks in the dilapidated mansion—and in herself. And as the snow continues to fall, what Seda fears most is about to become her reality...

Terrace VI Sarah L Johnson 2021-07-07 Welcome to the Sixth Terrace of Dante's tower of Purgatory, serving up sins of gluttony in an eternal banquet. On this carefully curated menu you'll find children stuffing themselves to death, a forgotten saviour gorging on cheeseburgers between bareknuckle rounds on the roadhouse circuit, wealthy socialites revel in an orgiastic alien feast, and the end of days as seen through an apocalyptic carnival of indulgence. Excessive consumption also manifests in darker hungers, for cruelty, for distraction, or possession. A pair of grifters bent on having it all chase a Scottish leprechaun across the English countryside, a newly deceased addict vies for the attention of Heavenly Higher Ups, degenerate poker players gamble with unforeseen currency, and when an old lady swallows a fly, it's just the beginning... Featuring nine stories of grotesque appetite and glorious excess from a gory gaggle of creators, they say too much of anything is poison, yet these condemned swallow each piece of forbidden fruit while reaching for the next, never to be sated. They can't help themselves. Can you?
